installazione rapida
fast installation

minimo ingombro
minimum encumbrance

doghe in alluminio
aluminium slats

Il nuovo modello studiato per rispondere alla crescente necessità di riporre piccoli elettrodomestici e robot da cucina. Nella versione con doghe microforate consente anche un'ottima dissipazione del calore generato dagli elettrodomestici.

A new model designed for storing small appliances and kitchen robots. Thanks to the micro-perforated slats it provides excellent heat dissipation and air circulation inside the cabinet.

Kit Tambour Box Standard

- Plastica riciclabile
Recyclable plastic
- 100% Alluminio
100% Aluminium
